

Homework 02:

Do **Your Turn 3A** (pg. 72) Instead of using Eq. 3.6, use Eq. 3.8. Hand in your plot attached to this page and hand in your code used to generate the plot.

Do **Your Turn 3D** (pg. 76)

What is pressure? In words, what is Eq. 3.18 (pg. 79) saying? Why are we excited about that?
